

NUACHT NA CROISE NAOFA

Fáilte Ar Ais Ar Scoil Naíonáin Bheaga—Rang 2

It is absolutely wonderful to have our children from the Junior Classes back in school today. It lifts the heart to hear the voices of children around Holy Cross again after our most recent spell at home. The girls and boys were delighted to see their friends this morning. They tucked into a hot chocolate and treat and really enjoyed the bunting, balloons and general excitement! Many sincere thanks to Carina, Paul and Louise for having our school ship-shape for everyone coming back. The place looks super and everything was in place to ensure that we are as safe as possible while at school—go raibh míle maith agaibh.

We really miss the boys and girls from the Senior end of school. I know that they are doing terrific work at home still and we can't wait for the 15th to have them back at school with us again. We will of course make sure they don't miss out on a treat when they get back in!

If you have not completed the Return to School Declaration Form on Aladdin for your child please do so as soon as possible—this is very important.

If you choose for your child to wear a mask in school please drop her/his teacher a note to let him/her know.

Beir bua is beannacht,

Mr. Mac Mathúna
